I live in Oldonyosambu at Arusha rural areas.

Describe where you live (how many rooms, what furnishings do you have, do you have electricity and drinkable water?)

My family and I live in a two small rooms and one small sitting room house. It is made of wood, cow dung and iron sheets. We are using solar for light (electricity), no drinkable water.

Tell us about your ministry at the moment. (Where are you evangelizing, the town/village names, what churches have you recently started etc.)

I serve at the following villages: Injock, Lemanda, Lesakartata, Losinoni, Kisimiri, Jangwale, Lemong'o, Lengijave and Ilkurot. I started two churches.
