1 - Please write a detailed testimony of your salvation and call to the ministry.

Indeed my personal testimony is so long that I am obliged to shorten it .
It was in August 1988 that **God** had permitted me to benefit His eternal grace while receiving **His Unique Son Jesus Christ** as my Lord and personal Savior . **Why ?** Because it was in this month of August that it was pleasing to God to take my Dad's life that was all for me because materially I didn't miss anything and it was a big opportunity for me to live in fornication, debauchery and didn't anymore think about God because my Father was all for me.

In fact during the days that followed his funeral, I had finally understood that I didn't have anybody anymore at my sides and that it was finished for me . It didn't have days where I didn't cry . During one night where I continued by crying I had listened in me a voice that told me what follows: **"Look at the sky and its stars, the earth and its components and the birds of the sky who don't work but eat, it is I, God who made them and I will take care of you."** It was the night of one Friday .

Saturday morning I had decided to go to the church but **what church?** This is how I had browsed this Sunday morning three churches whose the two first were not the churches that I wanted because I had much thirst to know God .

It is as well as I had had to visit the third church that was the Baptist Church of **ABWE** (created by the Americans missionary in TOGO) that had helped me a lot by the clear biblical teachings that had allowed me to know my state of sin toward God especially my state of rebellion against the creator of the universe while considering my father more than Him God .

The same biblical teachings had allowed me quickly to confess my sins to God and to give my life to Jesus Christ as my Lord and Savior for the purification of my sins with His blood and a novelty of life. I had also had the opportunity to finish all SLM bible courses in French established in the church . From then on , all my concerns and despairs were filled completely by a hope in Christ Jesus because henceforth I stay under control of the **Holy Spirit** who will allow me to discover the mysteries hidden in God

I had had a fast spiritual progress in the church that had allowed me to be then teacher of the Sunday school and other responsibilities after my baptism preceding teacher training and after 5 years in the church I received the call to serve God from where I had been formed in a biblical school in Benin during 3 years from 1998 to 2001 and 2 years of practicum for the perfection of work . Then I had started by serving Lord close to a national Director of correspondence bible courses . I in fact have been filled with joy because it was my inspiration and call to form the Christian , to evangelize the lost people for their salvation and to establish the churches .

And after two years ago God started by using me on many fields as **prisons , in churches planting , orphanage , hospitals , Garrisons , Schools , children , Evangelisation in the villages and three years ago , `` Operation Christmas Child / OCC `` a project of Samaritan's Pure solicited me to work with TOGO Team .**

Praise and thank God for the manner He leads us in TOGO for His work . Briefly it is my testimony . May God bless His work for the souls salvation .

2 - Please write your personal doctrinal statement.

Our Doctrine

Source of Light Ministries is orthodox in theology and evangelistic in practice, believing in:

1. The plenary and verbal inspiration of the Bible and its inerrancy as God's Holy Word,
2. The Holy Trinity of Father, Son, and Holy Spirit; three Persons in one essence in the unity of the Godhead,
3. The creation of man by the direct act of God and man's subsequent fall as revealed in the Genesis account,
4. The Deity, Incarnation, Virgin Birth, and sinless humanity of Jesus Christ our Lord; His substitutionary death on the cross as the atonement for man's sin; His bodily resurrection from the tomb; His ascension into Heaven to sit at the Father's right hand; the imminent rapture of the Church, and the personal, visible, and premillennial return of Christ in power and great glory.
5. The power of Christ to save men eternally from the penalty of sin through faith in His shed blood, and the gift of eternal life by the grace of God,
6. The new birth of all who believe on Him through the regenerating work of the Holy Spirit,
 7. The sanctification of the believer by the Holy Spirit through the Word,
8. The final judgment of the wicked and Satan's doom with the wicked in the lake of fire, and
9. The eternal happiness of the righteous in the presence of the Lord, and the ushering in of eternal righteousness in the new heaven and the new earth.

3 - Please write a brief testimony of your wife.

In fact my wife gave her life to Jesus Christ before me. She was very zealous in the Catholic faith, and she would never want to leave this environment but the grace of God had allowed her one day to visit a Baptist church planted by ABWE where she had understood that she is a sinner and that Jesus gave His life for her. Through Pastor's preaching she had especially understood that only Jesus died and resurrect for her and not Mary. She also believed there that nobody cannot be saved by doing only good things.

After the preaching by Pastor that day, she had summer seen the pastor to confess Jesus Christ as her Lord and Savior. So in March 1985 she made her decision to follow Jesus and she is very strong in faith and sustains me spiritually in the ministry until today and sincerely without her we can not get the level we are today in Lord's service. Because of her the ministry is growing day by day by God's grace. PTL!
