I was a Drunkard, smooker, Humanizer. I was employed in a work shop. I had nothing to sleep on, prepare food or bucket to bath. I took the ones I saw in a general room not knowing who has it. I was latter told they belong to one sister Love. She wasn't annoyed rather she invited me to Grace of God Mission, their Church. I was happy. One day the pastor preached and I discovered that my present life will lead me to Hell Fire. I decided to come out for ALTAR CALL. As time goes on, I discovered that all those evil habits have gone. I now love living a clean life.

My wife sister Love converted me. She is from a Roman Catholic family. A friend invited her in a Crusade where she gave her life to Christ. She now came out of Catholic Church and her parents abandoned her. There pastor took her and found a job for her. She preaches to every body and teaches Sunday School. She became very sick near death and her parent dragged her to a ~~witch~~ Witch. She refused taking their charms. Brethren prayed for her and gave her medicines, she became very well after Two years. Now she takes care of me, my two daughters and is very active in our church. She buys and sells goods to maintain us. She is loved by all!

2008; My Call Into The Ministry

I was called into the ministry six years ago. After my conversion in 1998, I joined the church where I was converted called Grace Of God Mission. I became very active in the church work. I joined the choir, became an usher, and a worker. I became an evangelist. We were going from place to place witnessing to any one who cares. We also went to far villages to conduct crusades and plant churches.

I am an Electrician by profession but I had no time to do my job again. I have interest in the work of the Lord, to win souls. My senior pastors recommended me to our General Overseer. I was invited and interviewed. It was concluded that I go and pray and come for what I think best for my life.

I told them I want to be a preacher. I had to marry the one who converted me, sister Love Chimezie. I was trained by senior pastors in our church seminary. I worked with many senior pastors on Part-Time for many years. About six years ago, I answered for Full Time. I plant and pastor church but we are ver small.

My wife is a Trader, she cares for us. I have no salary but I live by Faith
